

Michigan State Shooting Team Sponsor Packages

We are the Michigan State University shooting team. We have pistol, rifle, and shotgun teams, which have made major accomplishments in their respective disciplines. Each team has weekly practices throughout the school year and competes at the local, state, and national level. We teach gun and range safety and etiquette, all while having fun, meeting new people, and winning competitions. If you would like more information on what we shoot and who we are, please visit our website: <https://msusssc.com>. We are offering advertisement packages and appreciate donations to our team. We will accept any amount of donation and we also offer Platinum, Gold, Silver, and Bronze packages. Thank you for your consideration.

Platinum Sponsor: \$1000.00+

Platinum sponsorship will put your business name/Logo in large print on team jerseys, large print on the team banner, which is flown at every competition, and on our recruiting information that will be passed out to potential recruits and their families. Also, we will have a patch made with your logo, unless you can supply a patch, that will be sewn/ironed on team shooting vests which are worn at practices and during competitions. A typical competition will normally consist of 100 to 6000 people from local to national shoots.

Gold Sponsor: \$500.00+

Gold sponsorship will put your business name/logo on the team jerseys, the team banner, which is flown at every competition, and on our recruiting information that will be passed out to potential recruits and their families. A typical competition will normally consist of 100 to 6000 people from local to national shoots.

Silver Sponsor: \$250.00+

Silver sponsorship offers your business name and logo on our team banner, which is flown at every competition, and our recruiting information that will be passed out to potential recruits and their families. A typical competition will normally consist of 100 to 6000 people from local to national shoots.

Bronze Sponsor: \$100.00+

Bronze sponsors will get their business name on our recruiting material. This material is given out at Sparticipation in the fall. Sparticipation is an event held on campus for all clubs at the school to set up booths in one area as thousands of students walk around and learn about clubs they are interested in joining.
